Submitted :-

From the report which accompanies the Estimate prepared by the work Inspector under order, it is observed that only the urgent repairs have been estimated for. The Dy Commr states that if the repairs as per Estimate now submitted are not sanctioned early, the cost of the repairs will be greater, and requests that Rs 624 may be sanctioned from the State Grant. The devotees are stated to be contributing for the preparation of the Vaknamas in addition to the contribution of Rs 600 they have subscribed at present for the repairs.

interest in the temple and have already contributed Rs 600/-, I think a sum of Rs 624- maybe sanctioned from the State Grant as recommended by the Dy Commr. There is a balance of nearly Rs 5000 out of the State Grant of this year 1911

Dated Chikmagalur, the 29th October 1907.

Sir,

I have the honor to acknowledge herewith the Kannada correspondence from the Sub-Divisional Assistant Commissioner of Mysore dated 25th September 1907, together with an estimate for Rs. 624/- for the repairs to be carried out to Sri Lakshmi Temple at Devanur, Kadur Taluk, as the repairs proposed are found to be absolutely necessary.

The Assistant Commissioner states that this is a very ancient temple ^{and one of repute} and that, if the necessary repairs are not carried out, the temple will get into a worse condition, and the cost of repairs will be greater. He further states that a sum of Rs. 600 was contributed in the previous year by the devotees for the repairs in question, cannot be said to be small, when there are so many temples and houses of this village, and seeing that the carriages and other petty repairs are done by means of a contribution.

Under these circumstances, I beg to request that the said estimate be sanctioned and the balance of Rs. 624/- be paid out of the State Grant for the current official year.

I have the honor to be,

Sir,

Your Most Obedient Servant,

For Deputy Commissioner,

Kadur District.
